The semi-detached homes, located in a private gardened area of the residential development of La Selva, are defined by their excellent finishings and the highly attractive design. Designed by renowned Barcelona architects Damián and Francisco Ribas, these spacious homes offer the confort required for enjoying family time. Their large wall-to-wall glazed doors seamlessly connect the living room and dining room with the terraces and private gardens, while letting in a great deal of natural light. The breathtaking, double-height living area is located on the ground floor and elegantly joins both storeys through a gallery on the first floor. The modern open-plan kit...
